

# District Planning Goals

The Office of District Planning (ODP) shares the Chancellor's commitment to Equity and Excellence for All by focusing its efforts on the following goals:

**Partner with and empower communities through the district planning process**

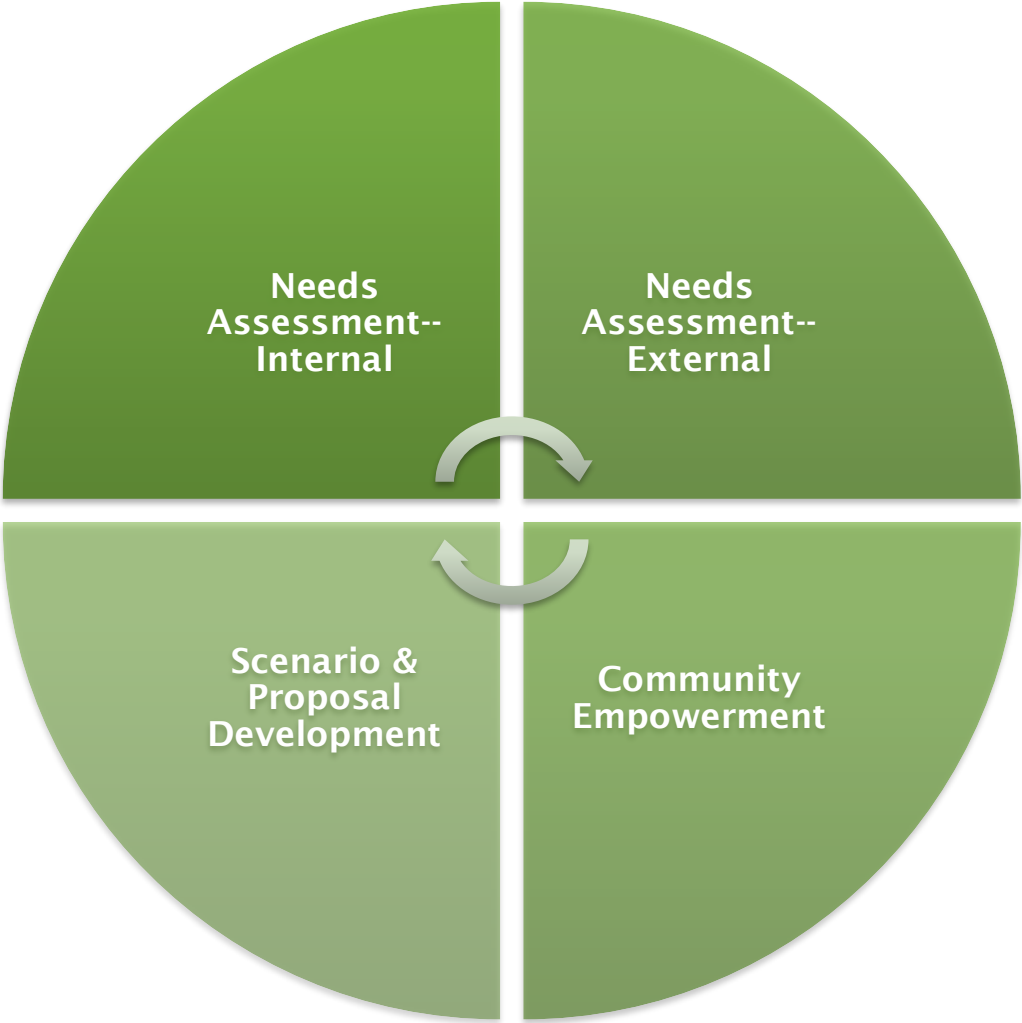

**Increase access to quality schools and programs, particularly in underserved areas**

**Increase diversity and integration across our schools**

**Improve learning conditions for students and increase access to appropriate facilities**

**Equity  
and  
Excellence  
for All**

# Planning Process Overview

# District Planning Levers

ODP partners with CECs, school communities, Superintendents, other DOE offices, and additional stakeholders on strategic district plans that drive equity and excellence.

Levers to make important district or school changes include:

- Rezoning
- Unzoning
- New Schools
- School Mergers
- School Closures
- Grade Level Changes
- School Re-sitings
- Reimagine
- New Programs
- Enrollment Planning
