01:21:03.000 --> 01:21:11.000

Thank you. I really appreciate that, and I'm looking forward to just having discussions moving forward so that we can all collaborate and communicate in a better fashion.

01:21:11.000 --> 01:21:26.000

And I do appreciate the conversations that we have not only at our calendar meetings, but at our business meetings, because I again we all wanna make sure that parents in our district are well informed about things that affect their district so thanks so much do we have any other comments.

01:21:26.000 --> 01:21:35.000

I didn't wanna talk over everyone or any other questions.

01:21:35.000 --> 01:21:37.000

Okay. Well, thank you for that. And I think, are we okay to move to the next.

01:21:37.000 --> 01:21:44.000

Item, the which is, do we have any questions or comments from the public?

01:21:44.000 --> 01:21:48.000

Does anyone have their hands right? Do we have any questions yeah.

01:21:48.000 --> 01:21:57.000

We have one hand up, Monica, Gutierrez.

01:21:57.000 --> 01:22:01.000

Hi! Good evening again. Everybody. They just wanted to fill in CC.

01:22:01.000 --> 01:22:21.000

30 on the student funding formula and cause. I was a little bit behind the scenes when they, were putting the group together, and they weren't even considering principles to be on there and they're the ones who run the schools know how this formula works they're the ones who know what can be added

01:22:21.000 --> 01:22:36.000

or removed, or or improved. In this formula they finally put just a few principles in there.

01:22:36.000 --> 01:22:37.000

Oh!

01:22:37.000 --> 01:22:42.000

One of them. It was a retired principle. The other one was the president of the Csa Union, which covers the principal, but just want to put it out there.

01:22:42.000 --> 01:22:52.000

That it would be great. I mean it is a working document, or you know they're gonna continue to have meetings which is fantastic on the funding formula.

01:22:52.000 --> 01:23:02.000

But it's important. Whoever is in on the board that the majority have something to do with running this school.

01:23:02.000 --> 01:23:08.000

In other words, the principals, because they know firsthand because they run the schools.

01:23:08.000 --> 01:23:17.000

They know when they come up short with money. They know the resources they need, and they can definitely make recommendations.

01:23:17.000 --> 01:23:33.000

On how to improve the funding formula and what I had suggested was for them to include principles from overcrowded schools and schools, where where you have lots of need for children, and homeless shelters.

01:23:33.000 --> 01:23:57.000

You know where they could have a whole variety of of of dynamics going on in the different schools, and have these principles as part of this working formula of the student funding in order to make recommendation so I'm you know I'm just putting it out there because when you break down

01:23:57.000 --> 01:23:58.000

Oh!

01:23:58.000 --> 01:24:08.000

the members on there. Most of them are just volunteer parents who've never run a school before, and it's it's great that you know they were on their many, because you know they're very big on education but it's very important to have somebody that's hands.

01:24:08.000 --> 01:24:12.000

On it was a principal who's affected by the funding formula.

01:24:12.000 --> 01:24:33.000

Who knows how many kids they're going to be getting, you know some schools run short where they have to get a a loan in order to open up and then not only do they get this loan, but they also have to pay interest and head, into the the history on them so you know we don't

01:24:33.000 --> 01:24:34.000

Want that to continue, and it's great that the do we finally, you know we're happy, you know that they had open this in order to make recommendations to to improve the funding for but I think we'll work needs to be done and if they can include more principles that would be

01:24:34.000 --> 01:24:53.000

I think that's totally fair.

01:24:53.000 --> 01:25:06.000

Ideal just putting it out there for you guys. Thanks.

01:25:06.000 --> 01:25:07.000

Thank you.

01:25:07.000 --> 01:25:08.000

Okay. Well, thank you so much. I do appreciate a little bit of that background.

01:25:08.000 --> 01:25:19.000

There again. I really wish that some of these comments could have come in the more collaborative fashion, and that way we were all included.

01:25:19.000 --> 01:25:25.000

I did not want to spend time religating the composition of the Fair Senate funding working group.

01:25:25.000 --> 01:25:29.000

I did not want to spend time litigating the contents of the letter.

01:25:29.000 --> 01:25:32.000

I just wanted to make sure that we are again operating in a more collaborative fashion.

01:25:32.000 --> 01:25:43.000

We do have Cherie's presentation on our website.

01:25:43.000 --> 01:25:44.000

Sure. Okay.

01:25:44.000 --> 01:25:52.000

There are many websites associated with what is in the fair student funding, working group recommendations, and who the members are again thank you for speaking Monica.

01:25:52.000 --> 01:25:58.000

I appreciate your comments, but I just did not want to spend the evening with the gating that so thank you.

01:25:58.000 --> 01:26:02.000

Sure you I just wanted to put it out there as an informational thing for all to know.

01:26:02.000 --> 01:26:04.000

Thank you.

01:26:04.000 --> 01:26:11.000

Right. Thank you. Thanks for allowing me to speak. I appreciate

01:26:11.000 --> 01:26:19.000

Alright! Do we have any other hands

01:26:19.000 --> 01:26:29.000

Okay, anything in the Q. A.

01:26:29.000 --> 01:26:36.000

Okay, get with anybody on the phone. I didn't need to say earlier.

01:26:36.000 --> 01:26:48.000

I guess not. Okay. So the final item on our agenda is, if we have any parents or any members of the community that want to speak on any community education council matters.

01:26:48.000 --> 01:26:49.000

Our education matters in the district. Please feel free to raise your

01:26:49.000 --> 01:26:50.000

Can I unmute yourself? Thank you.

01:26:50.000 --> 01:27:00.000

Not only that, but only 2 Cec. Members, too.

01:27:00.000 --> 01:27:07.000

Okay, yeah, we have anybody on the phone

01:27:07.000 --> 01:27:14.000

Okay, okay. And no one in the interpretation rooms.

01:27:14.000 --> 01:27:22.000

All right. We made it through y'all 8 o'clock

01:27:22.000 --> 01:27:28.000

Alright. Well, I just want to thank everyone for spending their Monday evening with us.

01:27:28.000 --> 01:27:31.000

I'm glad that we got through the agenda in a time.

01:27:31.000 --> 01:27:36.000

Confession. I appreciate everyone for participating and creating an open and transparent communication line.

01:27:36.000 --> 01:27:39.000
