00:02:34.000 --> 00:02:41.000
Thank you, Victoria. I went to remind everyone that this is a business meeting and we will not accept public comments.

00:02:41.000 --> 00:02:48.000
You can email any questions, concerns, or comments to CEC.
30@schools.nyc.

00:02:48.000 --> 00:02:57.000
Gov. At this time I'm going to go ahead and ask are there any amendments to the October meeting minute drafts?

00:02:57.000 --> 00:03:05.000
Nope. We vote on this guest if we're going to pass it. No? Okay, alright.

00:03:05.000 --> 00:03:15.000
No adjustments. Okay. Then we'll accept the minutes. We'll move on now to committee mission statements.

00:03:15.000 --> 00:03:27.000

Marcel is on here for special education, but she is not here at the moment. So Hunter for academic achievement, do you have your mission statement?

00:03:27.000 --> 00:03:30.000

Oh, you're muted.

00:03:30.000 --> 00:03:37.000

Yes, I sent it to, Whitney. I can put it in the, chat here in just a minute if you want.

00:03:37.000 --> 00:03:38.000

Do you just wanna read it maybe?

00:03:38.000 --> 00:03:47.000

You too. Read it? Okay, sure. 1 s.

00:03:47.000 --> 00:03:52.000

Alright, the academic and whoops, just disappeared.

00:03:52.000 --> 00:04:03.000

Yeah, the academic advancement committee goals are one to understand the academic programs program goals. And measurement and attainment of academic progress in District 30 and to share information information about that with D.

00:04:03.000 --> 00:04:11.000

30 families. To understand B. 30. Parent.

00:04:11.000 --> 00:04:34.000

Academic goals and expectations for their schools and to share that information with district leadership. To hold the district accountable for reaching academic goals and for ensuring that every student in the district has an excellent opportunity to make at least a year of academic progress every academic year whether that student is behind grade level at grade level or ahead of grade level.

00:04:34.000 --> 00:04:42.000

To evaluate data on learning loss in the district and ensure that all schools are measuring and addressing learning laws.

00:04:42.000 --> 00:04:57.000

And 5 to hold district district accountable for sufficient programs to meet the academic. Needs of students with disabilities and to meet the academic needs of advanced students, including twice exceptional students who are both advanced and have disabilities.

00:04:57.000 --> 00:04:59.000

So.

00:04:59.000 --> 00:05:00.000

And.

00:05:00.000 --> 00:05:10.000

Okay. Alright. You said Whitney has it so okay great thanks I know Danny and I were working on ours.

00:05:10.000 --> 00:05:15.000

Danny Do you wanna chime in for a sec? For communication and outreach.

00:05:15.000 --> 00:05:27.000

Sure, yeah, I can give a just sort of a We are continuing to work on it, but essentially the mission of the committees to enhance communication across the school across.

00:05:27.000 --> 00:05:34.000

District 30 School community keeping everyone informed about events news and other important happenings around district. Our mission is to further enhance the purposeful and timely communication.

00:05:34.000 --> 00:05:44.000

Between the school district and its stakeholders.

00:05:44.000 --> 00:05:53.000

Thank you. Danny. Does anyone else have anything that they want to add? Or any comments?

00:05:53.000 --> 00:06:00.000

No? All right. Thanks. We will go ahead and move on to member reports.

00:06:00.000 --> 00:06:07.000

Does anyone want to raise their hand and go?

00:06:07.000 --> 00:06:12.000

Anyone? Alright, Linda.

00:06:12.000 --> 00:06:14.000

Hi guys, how are you? I'm sorry, I just got back home from a, a middle school city house.

00:06:14.000 --> 00:06:24.000

Anyways, so I did visited, 3 schools. I'm sorry.

00:06:24.000 --> 00:06:32.000

So I visited, I recently visited, PS. Sorry guys, PS 11.

00:06:32.000 --> 00:06:34.000

So everything seems to be really good and that's cool. They have they go from pre K to sixth grade.

00:06:34.000 --> 00:06:48.000

They also have a . 75 off floor but that's totally separate from district 30. They do have a lot of residency programs there.

00:06:48.000 --> 00:06:54.000

They just got a new safety agent that just retired. So let's see, and PS, and then I just visited PS 2.

00:06:54.000 --> 00:07:10.000

It's a really, really nice school. They have a science 7 room. Grace 3 K to 5, 3 K kindergarten does, harmony and social skills.

00:07:10.000 --> 00:07:19.000

And then on Thursdays, they have club hours at the last period. So they have cursive writing programs, surely making math games, chess.

00:07:19.000 --> 00:07:27.000

So basically it's a residency program that all the kids get to pick one. I also attended IS 1 45 SLT meeting.

00:07:27.000 --> 00:07:34.000

It was their first meeting so there wasn't much going on. They do have a, they're starting a title 3.

00:07:34.000 --> 00:07:44.000

Funded by the title 3, after school program for newcomers. I did email the principal a couple of times for in person meet.

00:07:44.000 --> 00:07:53.000

He hasn't responded to me yet. So I, I did actually bump into him today, and, so I kind of put him right on the spot.

00:07:53.000 --> 00:07:57.000

So he is gonna contact me as soon as possible. He is gonna contact me as soon as possible. He said.

00:07:57.000 --> 00:08:08.000

Gail has helped me contact it's PS 222 and PS 148, but 222 responded back but they haven't given me a date.

00:08:08.000 --> 00:08:16.000

Yeah, so I've been pushing for it, but they haven't responded. PS 1, 48, I will be meeting them after the Thanksgiving break.

00:08:16.000 --> 00:08:20.000

That's it. Thank you.

00:08:20.000 --> 00:08:27.000

Thank you, Linda. Would anyone else like to go? Raise hands. Oh, Danny.

00:08:27.000 --> 00:08:34.000

Thank you. Kelly. Yeah, 2, 2 updates. One is, is a liaison visit to 3 98.

00:08:34.000 --> 00:08:46.000

So for me, it's been largely a 3 98, centered past few weeks, meeting with Principal Ernest and all subsequent activity that, that, emerge from the current situation at 398.

00:08:46.000 --> 00:08:53.000

Also, and this is in tandem with my, my, is on Nick.

00:08:53.000 --> 00:09:05.000

So, 3, 9, 8, again, from a liaison visit to a conversation with, with the superintendent, or an interim superintendent just in preparation for, for support of that community.

00:09:05.000 --> 00:09:32.000

1 27 is the other just a follow-up that I had, actually connecting with, with, Marlene, specifically to see how we could, investigate number one, whether they're eligible for, for any type of funding and support for technology upgrades to school that is severely is in need of just sort of smart boards and sort of basic tech but also just it really

00:09:32.000 --> 00:09:41.000

needs an upgrade and it's it's a prime candidate I feel for for the district so we're confirming whether that's there's eligibility through participatory budget which it is not.

00:09:41.000 --> 00:09:49.000

It is under a council member Moyas district and they are not participating in PB this year. So just continuing to do some research and supporting the principal as they make their ask.

00:09:49.000 --> 00:09:58.000

In the coming year. That's it.

00:09:58.000 --> 00:10:01.000

Fantastic. Thank you, Danny. I see. Deb.

00:10:01.000 --> 00:10:05.000

I just wanted to update we had the inside schools event on Thursday Marlene and Linda and I went to.

00:10:05.000 --> 00:10:22.000

The shelter in Long Island City. To help inside schools give information to parents there are 381 families at this shelter.

00:10:22.000 --> 00:10:28.000

It was really incredible. They felt they weren't gonna get a lot of people and then they ended up getting a ton of parents.

00:10:28.000 --> 00:10:44.000

It's I will say it is it's difficult. For me, not speaking Spanish. It just prompted me to increase my dual lingo to bring up my high school Spanish to a place where I can actually help a little more so I ended up having the best job of all and I ended up sitting with all the little kids.

00:10:44.000 --> 00:11:02.000

We brought some cranes and markers and stuff and it was incredible. The generosity of the children in particular were was off the charts they made us pictures with our names on them and like I was.

00:11:02.000 --> 00:11:08.000

The whole experience was really wonderful and awful to see what's going on there and the short drift that a lot of the families are getting from the DOE.

00:11:08.000 --> 00:11:16.000

They're going to schools. They're being told we don't have space. It's it's It's a lot as you can imagine.

00:11:16.000 --> 00:11:28.000

I met Marlene's amazing daughter who helped me with the kids and it was phenomenal. She was just an incredible volunteer.

00:11:28.000 --> 00:11:42.000

A really, really, overwhelmingly wonderful experience that we're gonna try and do again. And inside schools is doing doing wonderful work helping get family signed up and get them.

00:11:42.000 --> 00:11:47.000

We're considering they're going to talk to enrollment about possibly having some specific times that we can accompany parents to the welcome center to to so that they have an advocate with them.

00:11:47.000 --> 00:11:59.000

So they can't be just, you know, shuffled around. And told, oh, we don't have a spot for you.

00:11:59.000 --> 00:12:06.000

So that's maybe they can tell you some more about it but it was a really great experience.

00:12:06.000 --> 00:12:12.000

Amazing. Thank you, Deb. Nick? You're muted next up there.

00:12:12.000 --> 00:12:18.000

Here we go, sir. Yes. Hey, so I was having a problem and dictating myself I was having a problem.

00:12:18.000 --> 00:12:25.000

Anyhow, hi everybody. I second and echo the sentiments that Danny mentioned before with regard to our liaison visit.

00:12:25.000 --> 00:12:34.000

Additionally, it was apps. The. Meeting that followed at 3 98 the following Monday.

00:12:34.000 --> 00:12:43.000

After our liaison visit. The attempt by the principal to have a conversation with the school community.

00:12:43.000 --> 00:12:52.000

And such. Also on the SLT. Meeting which was I believe that Monday afternoon or when.

00:12:52.000 --> 00:12:59.000

Yep, as well with regard to 3 98. So that has been a big, big part of.

00:12:59.000 --> 00:13:09.000

Attended the DLT meeting. Last month and this month. With regard to everything just districtwide going on.

00:13:09.000 --> 00:13:15.000

One thing I did bring up on this previous one when they started to talk about middle school and high school applications.

00:13:15.000 --> 00:13:28.000

I did say that Whitney had reached out trying to get somebody from them. Over to us to be able to Do a presentation, but all we received was an email that said, if time allows and here are some FAQs.

00:13:28.000 --> 00:13:35.000

So there will be a follow up email because I was given an email to reach out to somebody with our meeting date so hopefully we can get somebody there.

00:13:35.000 --> 00:13:50.000

Also, had the pleasure of representing. 1 22 prisons council and CEC, at the trunk retreat.

00:13:50.000 --> 00:13:51.000

Which is a lot of juggling, but thankfully both trunks were literally right next to each other.

00:13:51.000 --> 00:14:00.000

Which was a tremendous, tremendous event. Thank you to all of you that were able to show up.

00:14:00.000 --> 00:14:11.000

I think we probably had even more people. This year than we had last year. Constantly briefed throughout the course of the evening what needs to be addressed and done better.

00:14:11.000 --> 00:14:22.000

Next year. Staying on the president's council thing. We've been in contact Victoria and I with Becca and the rest of our board since Victoria and I were both on President's Council executive board as well.

00:14:22.000 --> 00:14:38.000

With regard to the upcoming town hall, and C. 37 to discuss that process. Becca made a Google form similar to what we're also making for ourselves to send to all the PA, PTI and PTOs to get questions as well.

00:14:38.000 --> 00:14:53.000

Leading up to that. So that is in motion. As well. And next month.

00:14:53.000 --> 00:14:58.000

I'm hoping to go back to 2 35 and 2 34 for follow up visits.

00:14:58.000 --> 00:15:03.000

Piggybacking dev off of what you just said on the meeting last Thursday, which I would have loved to come.

00:15:03.000 --> 00:15:08.000

If we didn't have 1 20 twos meeting. But next time I definitely would like to be there.

00:15:08.000 --> 00:15:21.000

I did bring up how the fact that one of my liaison schools, 2 35. Is a school that is exceptionally underutilized currently in the climate with regard to asylum seekers.

00:15:21.000 --> 00:15:28.000

Especially the way that school is designed though was told at the DLT meeting. That's where the majority of these children are going to.

00:15:28.000 --> 00:15:37.000

Which is not the case since they have unless it's changed since my last visit at least one third of their seats are currently available.

00:15:37.000 --> 00:15:44.000

At 2 35 as well. Yeah, that's what I got.

00:15:44.000 --> 00:15:50.000

Things stick. Anyone else?

00:15:50.000 --> 00:15:53.000

Jonathan.

00:15:53.000 --> 00:16:05.000

I had a very nice visit with the principal at IS 1 41. And a tour of the, of the building.

00:16:05.000 --> 00:16:21.000

Was very impressed with you know her presentation of the school and you know all the things that she's doing and especially impressed when we walked around the building, we walked into lots of classrooms and you know nobody batted an eye when the principal walked in and sat down next to them.

00:16:21.000 --> 00:16:38.000

Like it was just totally part of the the school culture which I thought was really great. She clearly is like people are very comfortable with her and she knows what's going on in that school.

00:16:38.000 --> 00:16:42.000

I'm looking forward to attending an SLT. Meeting and talking to some parents as well.

00:16:42.000 --> 00:16:56.000

But that was my liaison visit for this month and I will be visiting. Ps.

00:16:56.000 --> 00:17:03.000

76. After. Thanksgiving was fine.

00:17:03.000 --> 00:17:08.000
Thank you, Jonathan. Anyone else?

00:17:08.000 --> 00:17:12.000
Hunter.

00:17:12.000 --> 00:17:20.000
Hi, I'm at with. Miss Rousseau, the principal of PS 1 52.

00:17:20.000 --> 00:17:25.000
I was a fantastic school. Whitney and the previous CDC, had secured a new gym floor for them.

00:17:25.000 --> 00:17:38.000
Their gym floor was destroyed. During, COVID when they were using it for. Classrooms or as a giant classroom.

00:17:38.000 --> 00:17:53.000
And so. That was fantastic they got a new they got a new gym floor and we were able to see that the students were actually practicing their basketball team was practicing which was fantastic as well.

00:17:53.000 --> 00:18:23.000
The students were super respectful. I learned a little bit about their, standardized tests, which are all Well above average, and was particularly exceptional in that this is a school of almost all immigrants they have 31% are ELL students and most of the other students, our former EL students as well.

00:18:27.000 --> 00:18:35.000
I think they're at 77% free and reduced price lunch. So I given the kind of challenges that come along with those things as far as academic achievement.

00:18:35.000 --> 00:18:47.000
That come along with those things as far as academic achievement. I think they're doing fantastic on academic achievement.

00:18:47.000 --> 00:18:56.000
I was really, to see that they do the. I think they're doing fantastic on academic achievement.

00:18:56.000 --> 00:19:08.000
I was really, I think they're doing fantastic on academic achievement. I was really, heartened to see that they do the Pledge of All you know, as Americans or New Yorkers.

00:19:08.000 --> 00:19:24.000
And so anyway, that was fantastic. And they have one challenge that they still have financially, their boiler is very, very old, or their furnace, and it doesn't.

00:19:24.000 --> 00:19:50.000

Produce very, big gradations. It's either sweating hot or very cold and it's been apparently tied up with SCA for a long time to try to get that boiler a new boiler in there and I don't know at this point if there's anything that we can do to help with that, but I would love to investigate if there's a way that we can

00:19:50.000 --> 00:20:07.000

help move SCA along and getting them rooms during the kind of dead of winter, January, February that are comfortable for the kids to be in.

00:20:07.000 --> 00:20:12.000

Great. Thank you so much, Hunter. Anyone else?

00:20:12.000 --> 00:20:14.000

Nick, I see your hand. If that's for us.

00:20:14.000 --> 00:20:24.000

Yeah, a question. Yeah, for everybody. Sorry. Hunter, I was just gonna address that and just ask if you ask her if she did res away.

00:20:24.000 --> 00:20:30.000

With regard to the boiler or attempted for participatory budgeting.

00:20:30.000 --> 00:20:43.000

I remember. They either are trying to get that or they already got it, but it's but it's held up and I think they already got.

00:20:43.000 --> 00:20:51.000

Therezzo A money, but it's just been held up. In the sometime and actually getting it done.

00:20:51.000 --> 00:20:54.000

But I think the money is already committed there.

00:20:54.000 --> 00:21:04.000

And then I realized I forgot to bring up before again, since you guys have been making liaison visits, as we said, Jonathan and I were gonna work on a air conditioning resolution.

00:21:04.000 --> 00:21:14.000

For anybody that has information with older schools. That might be a need, individual classrooms. Or just an HVAC that's down in general.

00:21:14.000 --> 00:21:20.000

And then I don't know if we talked about this. It came up on President's Council, so forgive me.

00:21:20.000 --> 00:21:27.000

With the amount of, asylum seekers that we're getting especially in our district.

00:21:27.000 --> 00:21:29.000

I know that we've also asked our superintendent for those numbers as well. I don't know if that's come up amongst you all.

00:21:29.000 --> 00:21:40.000

Because I know that amongst all of the presidents on President's Council, we were trying to see how we can potentially do something to bring resources into those schools.

00:21:40.000 --> 00:21:50.000

And find out what schools have the most needs. Within our district as well. So if you guys can kind of keep that on your radar.

00:21:50.000 --> 00:21:53.000

When you're talking to your principals that would be great.

00:21:53.000 --> 00:22:04.000

Nick are the modern systems kind of combined heating and cooling or you really just talking about cooling at this point?

00:22:04.000 --> 00:22:11.000

Talking about calling more at this point, I mean, I would assume, but you know, they say about making assumptions. That.

00:22:11.000 --> 00:22:24.000

That all the schools that are modern have and H track with heating and cooling, but this is also more in terms of like older buildings that have more of the units that are hanging in the windows.

00:22:24.000 --> 00:22:25.000

That'll really help me.

00:22:25.000 --> 00:22:40.000

Right. And that's what I mean, this like at 1 52 it's a very old building and I you know they have a boiler and then I don't know if they have air conditioners in every building but I are in every room, but I will ask, but they certainly don't have anything centralized.

00:22:40.000 --> 00:23:06.000

And I was just wondering if If you got a new system, like some kind of centralized, you know, H back system, does that provide heating and cooling at the same time or if you brought in a new system or if they go down the boiler path, is that something completely separate from the air conditioning path?

00:23:06.000 --> 00:23:18.000

You can take not that I know a ton about construction, but because of real estate. I know enough you can do in either a heating only unit, a cooling only, or a combination of heating and cooling.

00:23:18.000 --> 00:23:19.000

Okay.

00:23:19.000 --> 00:23:25.000

So it would be it would depend on what gets brought in in general. For the school.

00:23:25.000 --> 00:23:26.000

Good.

00:23:26.000 --> 00:23:28.000

But here what Jonathan and I were talking about also is more part of de Blasio as he was on the way out.

00:23:28.000 --> 00:23:38.000

Mandating that a working or sorry and air conditioning in every classroom. But it didn't really seem to matter if it's working or not.

00:23:38.000 --> 00:23:53.000

And to my understanding even from my own schools. Custodians they just kind of looked and said oh there's an air conditioning in the window great you're compliant Nobody checked it, functionality, anything like that.

00:23:53.000 --> 00:23:54.000

They just saw it in the window and moved on.

00:23:54.000 --> 00:23:56.000

Jonathan?

00:23:56.000 --> 00:24:03.000

I was just gonna say for these old buildings, I think it's, it would be, we can't, that we can't expect them to put in central air conditioning.

00:24:03.000 --> 00:24:14.000

There it's just, it would be just. Too expensive and there's as we know as we see there's so many other capital projects that need to be done.

00:24:14.000 --> 00:24:23.000

So I think we're looking at for those old buildings, we're looking at window units that are functional.

00:24:23.000 --> 00:24:28.000

Any more member reports?

00:24:28.000 --> 00:24:39.000

All right, let's move on to committee reports. Would anyone like to go for committees?

00:24:39.000 --> 00:24:46.000

Danny, we can start. We have a couple updates. She went on me.

00:24:46.000 --> 00:24:54.000

Yeah, I can, I can, popcorn a little bit. So what, update is, is just supporting the, the upcoming town hall.

00:24:54.000 --> 00:25:03.000

And making sure that we have the form, for, capturing questions. Out to to the community which is now has been shared via Instagram and will be believe shared also via email.

00:25:03.000 --> 00:25:12.000

So English and Spanish making sure that we're getting that out to communities. You wanna take the next one?

00:25:12.000 --> 00:25:20.000

Yeah, Gail has the PDF of the form and I believe it's gonna go out soon.

00:25:20.000 --> 00:25:21.000

Great.

00:25:21.000 --> 00:25:39.000

I she has it as of today. We also have the Google Doc that we created that will go out after Thanksgiving for schools that want to sign up to start doing the showcasing of their school community and we're hopeful that I'll get out to all the principals next week.

00:25:39.000 --> 00:25:46.000

So that'll be exciting. We can start to do the takeover Tuesdays where they don't really take over.

00:25:46.000 --> 00:25:47.000

And pre-submit.

00:25:47.000 --> 00:25:51.000

They pre-submit. We help. Pre-submit it Takeover Tuesdays.

00:25:51.000 --> 00:25:52.000

Exactly.

00:25:52.000 --> 00:26:01.000

All right. Anyone else for a committee?

00:26:01.000 --> 00:26:16.000

I will last call. Alright, I'll take that as we can move on from that one. Alright, I'm just going to remind everyone to complete the team's launch document that Whitney shared on October, the 20 seventh.

00:26:16.000 --> 00:26:23.000

So if you all can take a moment this week, before we get into holiday mode. And please fill that in.

00:26:23.000 --> 00:26:26.000

That would be amazing. Thank you. And also we're just going to touch base briefly on the speaker series.

00:26:26.000 --> 00:26:35.000

We have tomorrow district 30 is also partnering with district 28 and district 29 tomorrow at 6 PM.

00:26:35.000 --> 00:26:52.000

There is a zoom for it's an IEP workshop. And I know that Gail forwarded it earlier today.

00:26:52.000 --> 00:26:58.000

I was going to put it on Instagram, but there's an issue with the link when you hit the zoom to register it's incorrect.

00:26:58.000 --> 00:26:59.000
Hmm.

00:26:59.000 --> 00:27:12.000
So I'm trying to figure out from 28 or 29 who is the person who created that zoom to get a correct link and as soon as we do I'll post it but right now it's incorrect what's on the flyer that they sent.

00:27:12.000 --> 00:27:16.000
But there is a Zoom tomorrow, it's an IEP workshop. And also any discussion of any other ideas that people might have.

00:27:16.000 --> 00:27:34.000
AI in schools, office of multilingual learners. Are there any other ideas? In the group for a speaker series.

00:27:34.000 --> 00:27:41.000
Are we gonna do one on budget? That'd be a great topic. Given the current climate of New York City public source at the moment.

00:27:41.000 --> 00:27:47.000
Yeah, they usually come, Jonathan, if I'm not mistaken, they usually come sometime during the year, right?

00:27:47.000 --> 00:27:50.000
The office will give a presentation. The department.

00:27:50.000 --> 00:27:52.000
Of which, I'm sorry, what was the topic?

00:27:52.000 --> 00:27:54.000
Budget.

00:27:54.000 --> 00:27:58.000
Yes, there are certain mandated presentations that they need to give and they come to our CDC meeting.

00:27:58.000 --> 00:28:28.000
There they haven't been. Great. There it's well, I mean it's I you know it's it's it's well I mean it's I you know it's it's very complicated there's an norm I mean this the system and the way that funding works is super super complicated so I do think that you know we do have like There have been there's a fair student funding presentation

00:28:29.000 --> 00:28:49.000
and a the contracts for excellence presentation. That the DOE gives to us. But I do think that, you know, it would be great for us to do something on our own because we could do it in a way that's much more much clearer and maybe more approachable for parents.

00:28:49.000 --> 00:29:04.000

And others who are just coming into this right like it's it's a lot so
That's, yeah, yeah.

00:29:04.000 --> 00:29:16.000

Also, when they have come to present a meetings, will often when it's our
turn to ask them questions, we'll ask them questions and then we just get
a lot of, oh, email your request, email your request, email your
question.

00:29:16.000 --> 00:29:20.000

And then when you email them, I've never once gotten personally. I mean,
I can't speak for everybody else in the council, but I've never gotten a
reply.

00:29:20.000 --> 00:29:33.000

To any of my questions. Maybe I'm filed away in a box somewhere. They'll
eventually get back to me, but I'm this is my third year on the council
and it's yet to happen.

00:29:33.000 --> 00:29:36.000

Alright, that's great. Well, let me write that down and I will shoot that
off to Whitney for the budget.

00:29:36.000 --> 00:29:46.000

Okay, anyone else have any suggestions?

00:29:46.000 --> 00:29:50.000

Nope. Alright. New business. December eleventh calendar meeting.

00:29:50.000 --> 00:29:59.000

School construction authority will be there with a capital plan. Oh,
Jonathan.

00:29:59.000 --> 00:30:01.000

Oh, I didn't, I didn't mean to cut you off. You, you, you can, pitch.

00:30:01.000 --> 00:30:07.000

Oh, sorry. I didn't know if I was missing something. Sorry. I was like,
oh no, did I already myself?

00:30:07.000 --> 00:30:17.000

Cheese, sorry guys. Nope, just seeing that on, the December eleventh
calendar meeting, school construction authority will be there to present
the capital plan.

00:30:17.000 --> 00:30:24.000

So they'll be our presenter for a December meeting.

00:30:24.000 --> 00:30:38.000

I had 2 2 things, one of them is sort of old business and they're things
that it would be great if Gail were here, but I think it's it's good for
us to talk about it and we can then, you know, talk to Gail afterwards.

00:30:38.000 --> 00:30:49.000

One of them is this is the kind of old business thing, which is that You know, when people call into our meetings, their cameras, they can't show their face.

00:30:49.000 --> 00:30:57.000

And that is really a shame and I've heard, you know, we've heard feedback that it's kind of like distancing that you know they can't do that.

00:30:57.000 --> 00:31:03.000

I cannot imagine that a Zoom Webinar that our account can't allow that. I cannot imagine that a Zoom Webinar that our account can't allow that to happen.

00:31:03.000 --> 00:31:18.000

It's probably just a matter of that our account can't allow that to happen. It's probably just a matter of figuring out the settings which are in Zoom Is there is there any I mean I can't imagine any objection to that but is there any other thoughts about about that?

00:31:18.000 --> 00:31:19.000

Hunter?

00:31:19.000 --> 00:31:30.000

Yeah, why do we have to do webinar? Why not just do Hey, Zoom Meeting.

00:31:30.000 --> 00:31:43.000

A webinar just I'll just answer that is, a webinar allows for the QA. The QA, I think is not available for, and some other settings, some other advanced settings.

00:31:43.000 --> 00:31:48.000

We pay extra for the webinar feature to have like all of the features.

00:31:48.000 --> 00:32:00.000

But we could do just a Zoom Meeting and have. Chat where you could only write in to the the leaders or whatever the co-hosts.

00:32:00.000 --> 00:32:08.000

Couldn't we? And use chat instead of Q&A for people to write in their questions.

00:32:08.000 --> 00:32:22.000

Yes, I mean the community boards use regular Zoom accounts where you can see the participants. That are not even just on the board, but just people and when they speak when it's they're called upon you can also see them.

00:32:22.000 --> 00:32:32.000

The only thing is that a couple times, people will display. Pornographic material like it's you know you have people that try to bombard it and we've actually had that happen a couple of times. So that would be like the only thing I can think of.

00:32:32.000 --> 00:32:41.000

That's like a big negative, but yeah, I mean, certainly I would think that there has to be.

00:32:41.000 --> 00:32:51.000

Some sort of a feature which allows when you're promoted to being able to speak that you should certainly be able to see the people if they choose to turn their camera on to engage.

00:32:51.000 --> 00:32:58.000

I mean, I can't, I don't know how to do it, but I would like to think that it's the feature somewhere.

00:32:58.000 --> 00:32:59.000

Yeah.

00:32:59.000 --> 00:33:05.000

I, I thought we have the cameras on for the people who are on via Zoom. I thought Jonathan was talking about the people who call in by phone specifically.

00:33:05.000 --> 00:33:13.000

No, no, the people who call in via Zoom, their cameras are not on. They're just.

00:33:13.000 --> 00:33:14.000

You hear them.

00:33:14.000 --> 00:33:15.000

You can't see their their.

00:33:15.000 --> 00:33:20.000

Oh, that's gotta be a setting. I've definitely I've been on webinars where Yeah, yeah, okay.

00:33:20.000 --> 00:33:24.000

Yes.

00:33:24.000 --> 00:33:25.000

Yeah.

00:33:25.000 --> 00:33:26.000

Yeah, yeah, yeah, absolutely. Totally agree.

00:33:26.000 --> 00:33:36.000

Yeah, yeah. Yeah. And I'll just say to Hunter, you know, we've had this conversation a number of times on on this council about whether we should switch to you know regular Zoom Meeting the webinar Gail has strong feelings about it.

00:33:36.000 --> 00:33:46.000

And I, and, I don't, I don't know all of the details of the features that she thinks are important.

00:33:46.000 --> 00:33:59.000

But I do think that, you know, we can certainly talk about it again. But I would want to hear her out because she runs the meetings and she has she does have strong feelings.

00:33:59.000 --> 00:34:00.000
Sure, that's reasonable. Thanks.

00:34:00.000 --> 00:34:24.000
About it. So. The other thing that, I wanted to ask was I really much prefer to get the documents for our calendar meetings digitally so that you know and I don't need the printed out ones and I mentioned this to Gail and Gail said hey talk about it with the other members and see what they see what they think.

00:34:24.000 --> 00:34:36.000
So I wanted to just raise that. I mean, if people want them paper, I'm sure that Gail could print out a few, you know, that's probably fine, but maybe, You know, what's the best way for us to figure this out?

00:34:36.000 --> 00:34:44.000
Does anybody who's on this call prefer to figure this out? Does anybody who's on this call prefer to have paper?

00:34:44.000 --> 00:34:46.000
Paper documents.

00:34:46.000 --> 00:34:55.000
I think that that though she's used to doing it because we didn't have our laptops prior to prior to even though we'd get them digitally, we would come to a meeting without laptops.

00:34:55.000 --> 00:34:59.000
But now you're absolutely right. Now that we have laptops, we can just call them up.

00:34:59.000 --> 00:35:09.000
I do not, I feel bad throwing away all of the paper every month. So yeah. I'm sure it's just force of habit for Gail or her wanting to see what we want to do. But I agree.

00:35:09.000 --> 00:35:12.000
I don't I don't think we need them.

00:35:12.000 --> 00:35:13.000
Punter.

00:35:13.000 --> 00:35:20.000
Yeah, I mean I actually value having the documents. I mean for me I'm used to at home.

00:35:20.000 --> 00:35:28.000
I have 3 screens going on and I can't do that on my one little laptop. So it's great for me to be able to, but.

00:35:28.000 --> 00:35:34.000

That's just me and if I can get one, you know, I'm fine for anybody, you know, for the.

00:35:34.000 --> 00:35:40.000

Default to be that she doesn't run them out and I can ask individually.

00:35:40.000 --> 00:35:56.000

Yeah, maybe we would just tell Gail to, you know, tell the council if that if anybody wants a paper copied to let her know and she then she can print out however many copies she needs to print out does that sound reasonable?

00:35:56.000 --> 00:36:01.000

Okay, alright, that was that was all I had very Monday. Thanks.

00:36:01.000 --> 00:36:08.000

Nope, I agree with it too. Anytime I can streamline having to use paper when I don't need to, I always try to.

00:36:08.000 --> 00:36:13.000

And I feel bad whenever we leave and I have to recycle it after the meeting. So completely agree and I wrote that down and I'll also share that with Whitney.

00:36:13.000 --> 00:36:25.000

Anyone else under new business?

00:36:25.000 --> 00:36:26.000

Happy Thanksgiving.

00:36:26.000 --> 00:36:31.000

No? Well, happy Thanksgiving, that is true. Happy Thanksgiving, everyone. Alright, well then with that I will thank the Spanish interpreters for being here with us tonight.

00:36:31.000 --> 00:36:53.000

Thank you so much. I will wish everybody a very, very happy Thanksgiving and thank you guys for making this first time me sort of moderating easy so I appreciate it.

00:36:53.000 --> 00:36:58.000

And yeah, thank you guys so much. I'll make a motion to adjourn the meeting at 7 10.

00:36:58.000 --> 00:37:06.000

Can I have a second? Oh, Jonathan, perfect. Thank you guys so much. Happy Thanksgiving, everyone.

00:37:06.000 --> 00:37:07.000

Happy Thanksgiving.

00:37:07.000 --> 00:37:08.000

Thanksgiving.

00:37:08.000 --> 00:37:09.000
Have a great one guys. Bye.

00:37:09.000 --> 00:37:10.000
Thanksgiving everybody. Thank you. Bye.

00:37:10.000 --> 00:37:13.000
Bye, Thank you. So much. Thanks. Bye.

00:37:13.000 --> 00:37:20.000
Alright
