

WEBVTT

00:02:07.000 --> 00:02:21.000

Well give a few more minutes, or our council members to start populating our meeting again.

00:02:21.000 --> 00:02:27.000

I mean,

00:02:27.000 --> 00:02:33.000

thanks. I mean,

00:02:33.000 --> 00:02:39.000

I don't know if you said, I'm in or Amina what where

00:02:39.000 --> 00:02:56.000

it's okay, both are good.

00:02:56.000 --> 00:02:58.000

Be careful Shannon.

00:02:58.000 --> 00:03:01.000

Shannon you want me to the roll call.

00:03:01.000 --> 00:03:11.000

or do you feel good about it.

00:03:11.000 --> 00:03:12.000

No problem at all. Thanks.

00:03:12.000 --> 00:03:20.000

James can put up a couple slides that you've been seeing your graphic.

00:03:20.000 --> 00:03:22.000

Maybe Absolutely.

00:03:22.000 --> 00:03:24.000

Night Shift just a school night.

00:03:24.000 --> 00:03:30.000

Yeah, but it, someone's health is at stake, so I kind of have to.

00:03:30.000 --> 00:03:43.000

We always knew you were a superhero. And now you're showing us, you know, for all the world to see. Thank you very much for being here. We will see you next month, contact us at any time you have any questions with us but thank you for being here and

00:03:43.000 --> 00:04:08.000

00:04:08.000 --> 00:04:20.000

Sorry, my phone.

00:04:20.000 --> 00:04:26.000  
I think.

00:04:26.000 --> 00:04:32.000  
I guess we'll hop into the business meeting.

00:04:32.000 --> 00:04:37.000  
I saw Scott go in and out. I mean is here.

00:04:37.000 --> 00:04:38.000  
I'm here.

00:04:38.000 --> 00:04:39.000  
Hi, Scott.

00:04:39.000 --> 00:04:44.000  
How are you, Robert. So some conversation in the earlier.

00:04:44.000 --> 00:04:49.000  
I couldn't stomach it

00:04:49.000 --> 00:04:52.000  
to be too much. It's overwhelming.

00:04:52.000 --> 00:05:01.000  
Yeah.

00:05:01.000 --> 00:05:05.000  
When they go, can we jump in or. Okay, great.

00:05:05.000 --> 00:05:09.000  
Alright, we're going to call our business meeting to order.

00:05:09.000 --> 00:05:12.000  
It is now 8:23pm.

00:05:12.000 --> 00:05:16.000  
And we will do the roll call. Shannon.

00:05:16.000 --> 00:05:17.000  
Yeah.

00:05:17.000 --> 00:05:25.000

00:05:32.000 --> 00:05:35.000

Mr. T military presence.

00:05:35.000 --> 00:05:37.000

Thank you.

00:05:37.000 --> 00:05:41.000

00:05:42.000 --> 00:05:47.000

Thank you. Good evening, Mr.

President.

00:05:49.000 --> 00:05:52.000

Thank you, Miss noodle or dirty.

00:05:52.000 --> 00:05:55.000

Chuck part present.

00:05:55.000 --> 00:06:04.000

Scott Shira.

00:06:04.000 --> 00:06:06.000

Good evening, sir.

00:06:06.000 --> 00:06:21.000

And Miss breeding Mathias she just left but she's here. Thank you.

00:06:21.000 --> 00:06:24.000

You're welcome.

00:06:24.000 --> 00:06:26.000

Okay, Deb.

00:06:26.000 --> 00:06:32.000

I think we're gonna jump into our business meeting. There's a couple of items for an agenda.

00:06:32.000 --> 00:06:47.000

I just don't have my agenda and you can you can you can just had for I just want to deal with.

00:06:47.000 --> 00:07:04.000

not allowed they declined, my, my acceptance so they're very popular. I guess it depends on the event but I think we're going to pursuit of a couple of more especially now that we have an opportunity weeds, a little bit of spring fever kale.

00:07:04.000 --> 00:07:13.000

So before you do that you want to just get approval for the minutes first and then I'll do that.

00:07:13.000 --> 00:07:17.000  
muted.

00:07:17.000 --> 00:07:28.000  
Dr composter there thank you Dr C. Motion to dispense with the neat reading the media minutes for April 620 21 or calendar in business meetings and accept them as presented.

00:07:28.000 --> 00:07:33.000  
Anyone favorite Thank you.

00:07:33.000 --> 00:07:39.000  
Embrace the suck Shannon.

00:07:39.000 --> 00:07:43.000  
Thank you. Enough. Okay, great.

00:07:43.000 --> 00:07:53.000  
So as Rob was saying the, The Family Fun nights have been extremely successful, especially the aquarium one where we had 520 some odd people register.

00:07:53.000 --> 00:07:58.000  
Unfortunately we only had room for 150.

00:07:58.000 --> 00:08:05.000  
So, it just, it just was an outstanding evening, and we recently just had chess.

00:08:05.000 --> 00:08:16.000  
And we had a request for more chest to do a beginners chest and a more advanced chest. So, I'm here to ask that there's a little bit of money left in the budget.

00:08:16.000 --> 00:08:31.000  
I would love to add the two more chest. Family Fun nights, and if possible. I don't know if I can pay for it. Another aquarium night to invite those people who I declined, including Europe.

00:08:31.000 --> 00:08:39.000  
So, me too I missed it too. I know it was the it was.

00:08:39.000 --> 00:08:41.000  
I'm sorry Nola.

00:08:41.000 --> 00:08:43.000  
I've never been to the aquarium.

00:08:43.000 --> 00:08:59.000  
Then, if we do get to offer it you definitely should quickly sign up for it because I actually had to close it after the first day of it being

advertised. That's how popular it was, it really was great I think parents and families just need a great time together they even though it's in front of a screen.

00:08:59.000 --> 00:09:08.000

even though it's in front of a screen. They laugh for the dancing ones they had so much fun getting up and just dancing around. It just, it's, it's been great.

00:09:08.000 --> 00:09:16.000

And we're having another one on the 27th. And that's going to be Zumba with Dean.

00:09:16.000 --> 00:09:27.000

So we're trying trying to do it and just making our family's happy and bringing them together to enjoy each other. We want power and participation let's have a good time together.

00:09:27.000 --> 00:09:32.000

Select.

00:09:32.000 --> 00:09:48.000

I like the idea, do we vote now or just proposing in it. I agree with you. We need a vote that we can do it yes yeah so I would make a motion to approve the transfer of the money to the increase.

00:09:48.000 --> 00:09:55.000

It's just use of the money if it's in the right. It's where it needs to be right. Great.

00:09:55.000 --> 00:10:02.000

Second.

00:10:02.000 --> 00:10:09.000

All in favor, I'm in favor. I see Amina

00:10:09.000 --> 00:10:16.000

Jonathan's up any one of the most.

00:10:16.000 --> 00:10:22.000

Thank You Thank You Thank You Thank You Thank you Thank you, Katrina thoughts one favor. Yes.

00:10:22.000 --> 00:10:30.000

Thank you very much. Our first item of our business meeting is completed, that work.

00:10:30.000 --> 00:10:30.000

We have our end of the year.

00:10:30.000 --> 00:10:41.000

We have our end of the year. Superintendent evaluations coming up your corporate office. So I think

00:10:41.000 --> 00:10:52.000

the only two people members who did not participate in our superintendents evaluation, are Chuck and Danny, I think, correct me if I'm wrong but.

00:10:52.000 --> 00:11:05.000

So, the CC is tasked to provide the DMV with it, and valuation of the superintendent, they give us a template we fill it out and vote on it and send it.

00:11:05.000 --> 00:11:08.000

What we have done the past is.

00:11:08.000 --> 00:11:13.000

I have taken a stab at it and send a draft around.

00:11:13.000 --> 00:11:27.000

And folks can add, add and subtract what they, you know, would like to see and we come together in a, in a, an executive session to come up with our final evaluation.

00:11:27.000 --> 00:11:30.000

So I started doing that.

00:11:30.000 --> 00:11:36.000

And we need to finish it and get it to you guys and then we will discuss it at our meeting.

00:11:36.000 --> 00:11:39.000

What's the date of our June meeting.

00:11:39.000 --> 00:11:57.000

Like truly the due date so we have because it's due June 30, so we have, we have time to do that, but I will get you guys the copy or the draft, in the next couple of days so that we have plenty of time to look at it, comment on it.

00:11:57.000 --> 00:11:59.000

So we're ready.

00:11:59.000 --> 00:12:01.000

On today's to discuss it.

00:12:01.000 --> 00:12:05.000

Would you have a comment online or wait for these do.

00:12:05.000 --> 00:12:10.000

Um, whatever I mean,

00:12:10.000 --> 00:12:13.000

I guess something comes up we could discuss it online or.

00:12:13.000 --> 00:12:22.000

Yeah, but well you know we'll discuss it in a conversation at, at the executive session.

00:12:22.000 --> 00:12:34.000

Wait to Now where do we go. I know that in the past was not there when we do this but is it executive session I have to have to look up, whether it's an executive session or just in our business meeting.

00:12:34.000 --> 00:12:35.000

I can't remember.

00:12:35.000 --> 00:12:44.000

Discussing can be an executive session, and then you bring the results back. Okay public meeting.

00:12:44.000 --> 00:12:46.000

So that's what we'll do.

00:12:46.000 --> 00:12:50.000

I forget how we did executive session before with zoom.

00:12:50.000 --> 00:12:52.000

Do we have a separate link.

00:12:52.000 --> 00:12:58.000

Yeah. Okay, so we can prepare for that because we know we're going to do it.

00:12:58.000 --> 00:13:03.000

That's where we're at.

00:13:03.000 --> 00:13:12.000

Even dr deposit gets report card so how do we stop the bottom

00:13:12.000 --> 00:13:18.000

apples for us now. Well that's that's the only the second item on our agenda today.

00:13:18.000 --> 00:13:29.000

You know this you have anything pressing, you know, spring fever affects me also, you look at a couple things. One, I just want to say, Wow.

00:13:29.000 --> 00:13:46.000

I know this was a major change in the elections for CC, but I've just been really impressed with how people have really been running and running hard and I was impressed with the deal we sending out postcards and with them putting out ads on TV, and I

00:13:46.000 --> 00:13:58.000

know we haven't had a huge turnout, but it's a new entirely new way to vote, and a new thing, but I'm just really impressed with how the community has really worked for this.

00:13:58.000 --> 00:14:17.000

And Noah Newland someone wrote called into the mayor, when he was on Brian Miller and said, Where is the effort for vaccinations All I see is cc on buses on on postcards everything they're like, why can't you do this for me.

00:14:17.000 --> 00:14:24.000

So, look, I know that we would love to see more people voting and more things but this is something brand new.

00:14:24.000 --> 00:14:32.000

And I really think that at least in my name of people are engaged with a lot of people talking about it. I think it will take some time to get everyone on board.

00:14:32.000 --> 00:14:50.000

But I think for first effort, it's been really amazing to see how people think the CC are so important, and and really want to join so I've been really impressed

00:14:50.000 --> 00:15:02.000

that we could get more parents and families that aren't really invested in that whole process of what a council does all across the city, you know, wow that's that's an excellent turn around to know from the mindset that only a third few that would run

00:15:02.000 --> 00:15:13.000

or were under members but now everyone has a vote and everyone's investing their time and their interest in what's going on or it really advocating for themselves, perhaps, or for their students in that manner.

00:15:13.000 --> 00:15:27.000

We said that we're representing parents you know we're elected representatives, but we were only elected by like 60 people, you know, so it's kind of, you know, thousands and 10s of thousands so it definitely makes more sense.

00:15:27.000 --> 00:15:46.000

Um, the other thing I wanted to bring up was and I don't know the best way to do this talk to impasto is, I wanted to try to do a push for the schools along 34th Avenue to make sure that for September, we have start times that are a little bit later.

00:15:46.000 --> 00:15:49.000

As you probably heard the open streets now are permanent.

00:15:49.000 --> 00:15:57.000

They're going to be in effect next September, and it'd be great for safety purposes to make sure that kids could actually walk up and down the streets to get there.

00:15:57.000 --> 00:16:07.000

And since they don't close until eight o'clock, to make sure the schools know that if they start at 830. That would give the kids a safe passage to and from the schools.

00:16:07.000 --> 00:16:20.000

So if you want to put something in writing, I'll send it to the principal's I'm going to bring it to the SLT but don't forget this. This is like a touch point for people in schools, because they like to start early because of the difficulty in parking

00:16:20.000 --> 00:16:35.000

and different other pieces, but we can certainly inform them. And I think that's the right thing to do, you'll send me an email and I'll ask principles to bring it up at their SLT meetings to discuss the change of school time, new life you want to, if

00:16:35.000 --> 00:16:45.000

you have time to do a little resolution I think leaders start times not massively later but late, like you're suggesting is good across the board.

00:16:45.000 --> 00:17:01.000

I think something we learned with coven is that, you know, the kids are getting more sleep. Some kids, you know, by, by having a late start time or not having a commute time because the remote, but I would love to, co sponsor a, an encouragement to principles

00:17:01.000 --> 00:17:13.000

to think about a slightly later start time. I know it's it's a bit of a domino because parents go to work and they like earlier start times and then, obviously, school goes later.

00:17:13.000 --> 00:17:20.000

But I would be curious to see how the community responded to such a resolution.

00:17:20.000 --> 00:17:25.000

It's just this the sleep is so important particularly starting in middle school.

00:17:25.000 --> 00:17:34.000

If anyone's interested in that. I just can't craft it right now.

00:17:34.000 --> 00:17:39.000

I'll take a stab at it.

00:17:39.000 --> 00:17:52.000

Thanks Evan Miller, and the other members have any issues to bring upon our meetings, but I would at least do the SF send the email as soon as possible because as we're now coming to to close, you know, they also may have made, they didn't do that may

00:17:52.000 --> 00:18:07.000

SLT and then June, because these are things that have made being decided before the summer, so if you just send at least all the awesome principles to bring it up in the conversation will start, then maybe not a resolution maybe just a letter.

00:18:07.000 --> 00:18:10.000  
Either way email letter.

00:18:10.000 --> 00:18:18.000  
I do think that this is something that, you know, we were talking about before, but I think it's something especially for high schools.

00:18:18.000 --> 00:18:32.000  
Absolutely bright schools that the deal we should be really pushing, because there's a lot of, there's a lot of evidence out there that especially teenagers are healthier, when they're able to sleep a little bit later.

00:18:32.000 --> 00:18:43.000  
So yeah, we should do, we should do our part. Absolutely. But let's let's also remember to, you know, the bigger picture to for sure and the resolution would go to the app.

00:18:43.000 --> 00:18:46.000  
So, that maybe we do both.

00:18:46.000 --> 00:18:59.000  
Particularly since New York City is a place where for high school everyone commutes so not only is it an early start time. But, I mean I have a kid going to high school in the fall and I'm starting to see the times that there's some kids are waking up,

00:18:59.000 --> 00:19:03.000  
and it's bananas.

00:19:03.000 --> 00:19:17.000  
So yeah, so maybe we do both maybe we do a question or maybe, maybe it's focused newly you could do it for the Jackson high school because that has a particular, the 34th Avenue schools have a particular interest with the open streets and then we can

00:19:17.000 --> 00:19:29.000  
think about a resolution, going forward.

00:19:29.000 --> 00:19:40.000  
Thanks again you'll end up any other last minute issues to race, before we have questions, absolutely. I mean, I'll call soon.

00:19:40.000 --> 00:19:48.000  
I have my oldest son is in the middle of color, Middle College in LaGuardia. I have an issue to contact them.

00:19:48.000 --> 00:19:56.000  
Every, I had the last time I have to call gal she helped me with few numbers but didn't went through.

00:19:56.000 --> 00:20:02.000  
For example, they sent me like voicemail in Spanish for their meeting.

00:20:02.000 --> 00:20:17.000

And I never received it in English, and they never get chance to attend any of those meetings, even to know what's going on in the school or, and the phone number i have i called I left.

00:20:17.000 --> 00:20:33.000

Twice a message, a phone number, my son name my full name, and they never received any form formation from the school. I don't know what I have to do in this case, if I might approach, the teacher there's got to be someone closer because you're leaving

00:20:33.000 --> 00:20:38.000

messages and no one's picking them up they're not in the office, maybe I don't know I don't know much about the cosmic.

00:20:38.000 --> 00:20:45.000

You must, you must have contact with a couple of you, your child's teacher right you're on with the zoom and all you'll see him or her.

00:20:45.000 --> 00:20:53.000

I, when he is in class sometimes yes I see the some of the things I think that that's what I would just say to a teacher kind of guidance counselor, call me.

00:20:53.000 --> 00:20:58.000

I need to speak to somebody can an AP or guidance counselor, call me.

00:20:58.000 --> 00:21:05.000

You know, write it you know it will send a note to the teacher and get the name and number of either the guidance counselor or the AP and start there.

00:21:05.000 --> 00:21:13.000

I wouldn't do that. Thank you.

00:21:13.000 --> 00:21:17.000

Thank you, Father, thank you Marina.

00:21:17.000 --> 00:21:20.000

You're welcome. Thank you for your time guys.

00:21:20.000 --> 00:21:32.000

So the last thing I might bring up is that our next meeting is on June 8.

00:21:32.000 --> 00:21:39.000

So anyone that wants it, please Katrina.

00:21:39.000 --> 00:21:53.000

I have a parent that would like to transfer the child from one school to another, is the district open for her to do that.

00:21:53.000 --> 00:22:09.000

I'm not open per se, where they can go but we're open for business. If you send me her information I'll have a family advocate get in touch with her, and then she'll work with her through the Office of Student Enrollment so if you send me an email with

00:22:09.000 --> 00:22:18.000

her name on it, and her question, I will connect you with the Office of Student Enrollment, and you can always talk to our family advocate as well.

00:22:18.000 --> 00:22:28.000
