Special Meeting on Potential New 3rd-grade Gifted & Talented Sites in District 30

Community District Education Council 30 will be meeting to discuss the Chancellor's request to identify a site or sites for new 3rd- to 5th-grade Gifted & Talented programs.

The CEC will be hearing from the superintendent about his proposal, which would include new G&T sites at P.S. 92, P.S. 151, and P.S.171. We will also hear from community members.

The meeting will result in a recommendation from the CEC to the superintendent and the DOE.
