Technology Needs

This was covered in the Superintendent's Report during the Calendar Meeting. The Superintendent is surveying the schools.

The members discussed proposing a resolution asking for additional "windows" to opt in to blended learning. Dani Marr stated that P.S. 384 sent a survey to remote families. Ms. Marr and Ms. Alexander will work on drafting a resolution. Parents need clarity about what the vaccine policy will be. Will they be mandated?

Ms. Alexander would like to draft a resolution regarding the DOE furloughs for CEC AAs and another one in support of gender equality.

Upcoming Zoning Committee Meeting

There will be representation from all impacted schools. Equity Now is also having a meeting about zoning. Jonathan Greenberg will share the link to that meeting.

The members discussed having Arabic and Bengali interpreters as well as Spanish. Attendance in the interpretation room has been small. The Council will try pre-registration. If no one registers, the interpretation request will be cancelled.
