Acceptance of Minutes

Mr. Greenberg asked if there were any objections or amendments to the May 2022 meeting minutes. Being none, the minutes were accepted as written.

Member and Committee Reports

Whitney Toussaint spoke about Q429 zoning meeting PS 361 that was well attended. Michelle Moore has been attending many SLT and PTA meetings discussing zoning Q429. Jonathan Greenberg and other CEC presidents met with the Chancellor. The topic was school safety. In addition, the workload for parent volunteers, council members, was too much this year.

Jonathan Greenberg outlined the revisions to the Open Meetings Law. If, because of extraordinary circumstances, a member attends remotely, the camera must be on. The Council must adopt a resolution and amend the bylaws.

Council members would like to continue virtual meetings.

Discussion of G&T Preferences

Preferences for new programs: students currently attending the school, siblings, STH/NYCHA/ELLs in D30, free lunch in D30, other D30 students, students outside D30.

Deborah Alexander is proud of CDEC30 for their hard work.

Michelle Moore would like to combine the August calendar meeting with Q429 zoning.

The Council will hold off completing the Superintendent Evaluation until the selection process is complete.

The District 30 Superintendent Dr. Philip Composto, encouraged members to visit the District website and watch the showcases created by teachers.

Meeting adjourned 8:27 p.m.

Respectfully submitted,

Juliette-Noor Haji
Secretary
