COMMUNITY DISTRICT EDUCATION COUNCIL 30
RESOLUTION #133

RE-ZONING JACKSON HEIGHTS AND ZONING NEW SCHOOL 398

Whereas, the NYC Department of Education has constructed a new building, Q398, located at 69-01 34TH Avenue in Jackson Heights which will serve as an Elementary School serving approximately 476 students; and

Whereas, District 30 schools in Jackson Heights have historically been over utilized; and

Whereas, Community District Education Council 30 (subsequently referred to as "CDEC30") has reached out to the impacted communities by means of meetings, electronic and social media; and

Whereas, CDEC30 has worked collaboratively with the NYC Department of Education Office of District Planning in an effort to accommodate the needs of the involved school communities; and

Whereas, CDEC30 believes that the plan now submitted by Dr. Philip A. Composto, District 30 Community Superintendent, represents the best available compromise between all parties; and

Whereas, CDEC30, in collaboration with the DOE, will monitor the implementation of this plan and its impact upon the community.

Therefore Be It Resolved that CDEC30 accepts and approves the following re-zoning plan for Jackson Heights and zoning for New School 398 as submitted by Community Superintendent Dr. Composto:
Zoning Line Proposal Submission
Submitted to CEC 30
October 5, 2018

1. **Goals of the proposal:** The New York City Department of Education (NYCDOE) and the District 30 Community Education Council (CEC 30) have identified a need to change the current zone lines for P.S. 69, P.S. 148, P.S. 149, P.S. 152, P.S. 212, P.S. 222, P.S. 228, P.S. 280, and P.S. 89 (District 24) in order to create a new zone for the elementary school that will open in Q398 and to alleviate overcrowding at elementary schools in the Jackson Heights neighborhood.

2. **Schools affected by the proposal:** P.S. 69, P.S. 148, P.S. 149, P.S. 152, P.S. 212, P.S. 222, P.S. 228, P.S. 280, and P.S. 89 (District 24)

3. **Effective date for implementation:** This plan would be implemented for admissions to the 2019-2020 school year for incoming pre-kindergarten, kindergarten, or new students to the system. The existing zones for students in grades 1-5 at any impacted school will remain the same while the proposed zones will phase in along the following timeline:
   - 2020-2021: Pre-kindergarten, kindergarten, Grade 1, and students newly enrolling in DOE schools
   - 2021-2022: Pre-kindergarten, kindergarten, Grades 1-5, and students newly enrolling in DOE schools

4. **Projected number of students in each zone to be moved between all affected schools:**
