Proposed Amendment to Bylaws:

Article III – Meetings

Section 1. Open to the Public
(Add)

All Hybrid/Virtual meetings will be recorded. The recordings will be posted/linked on the council's website no later than 5 business days after the meeting and remain there for at least 5 years. The recordings must also be transcribed upon request.

As videoconferencing will be used, the council will maintain an official website.

The meeting notice will state that a videoconferencing platform will be used and will include the meeting link and where documents will be posted/available. When possible, meeting documents will be distributed at least 24 hours in advance.

The public will also be able to view the meeting via video and, where allowed, for hybrid meetings, participate in real time on the same basis as in-person attendees. Accordingly, for hybrid meetings a strong and stable WiFi signal or telephone line is essential, as well as a good microphone, multiple laptops/iPads/tablets/telephone lines for participation. Also, barring any technical difficulties, council members must leave their cameras on while in the meetings. In addition, the technology used must meet ADA accessibility requirements.

In addition, notice of all meetings shall be given in writing (in English and other languages, as appropriate) in a form suitable for mass reproduction, to the President of every Parent Association, the Presidents' Council, and all heads of schools, to post conspicuously, and to other interested persons and organizations who express a desire to receive meeting notices.
